PleinAirTEXAS

Welcome to EnPleinAirTEXAS!

We're so glad to see you! And the artists are thrilled to be here after another roller coaster year. Last year, in spite of the pandemic, sales were better than ever. We truly believe the creative spirit helps us survive & thrive. Enjoy this week of amazing art and all the opportunities to meet the artists!

"En Plein Air" is the French term for painting in the outdoors. Come watch and interact, socially distanced please, with the 34 phenomenal artists who are here this week – painting our city, our rivers, on ranches and country roads.

We are test-marketing a new 'Artist Locator App' and hope you'll try it to find the artists this year! See pg 3 for details.

This year, ALL events are FREE except for the Thursday Ranch Event with the Artists & the Friday night STAMPEDE Awards Exhibit & Sale. Your painting purchases help support the SAMFA educational programs that touch over 33,000 students annually in an 18 county service area, as well as supports these artists.

Thank you for supporting the 2021 EnPleinAirTEXAS!

The **San Angelo Museum of Fine Arts** opened in 1985 in the historic 1868 Quartermaster Building at Fort Concho National Historic Landmark. The museum's current building opened in 1999 and has received international acclaim for its distinctive architecture. SAMFA has been nationally recognized for its dedication to the community and received the National Medal for Museum and Library Service in 2003.

Achieved through its collections, exhibitions, and programs, SAMFA's mission is to serve the general public in San Angelo, the Concho Valley, and the state of Texas. The museum also manages CASETA, the Center for the Advancement and Study of Early Texas Art, and is currently leading the development of a TCA designated 200 acre Cultural District.

Among the Permanent Collection's areas of concentration, SAMFA has established a distinguished collection of contemporary American ceramics, as well as ceramics from Europe, Canada, and Asia. Other focus areas of the collection include early and contemporary Texas art, Spanish Colonial and 19th century Latin American art, and American manufactured glass. The museum's exhibit program is encyclopedic.

WHERE CAN I FIND THE ARTISTS PAINTING?

That's a great question!

The artists will be painting earlier this week on private ranches, but beginning Wednesday, you'll be able to spot them around town. See the *next four pages* for daily details on where the artists are painting.

Please social distance and wear your mask as we don't know their family situations. Look and stay off to the side, as they sometimes step back from their easel to get a better view of the painting!

Our new Plein Air App helps you find where the artists are painting near you. Snap a photo of the QR code on the left and get the free app to help you locate the artists over the next 4 days.

Selection Juror - *Michael Obermeyer*

We are honored to welcome Michael Obermeyer as our 2021 Juror. This June, he selected the 2021 Competition Artists for the 8th annual EnPleinAirTEXAS in October.

A Southern California native, Michael Obermeyer grew up painting all the time but chose a practical path and received his Bachelor of Fine Arts in Illustration at California State University, Long Beach. During a twenty-year career in illustration Michael worked with Disney Studios, the Anaheim Angels, McDonnell Douglas, Coldwell Banker, and the United States Air Force. Many of his paintings are in the U.S. Air Force Historical Art Collection in the Smithsonian Institute and the Pentagon.

As that career field was being transformed by technology, Michael was able to shift into fine art because of a few well-timed exceptional commissions. In 1997, he participated in his first Laguna Beach Festival of the Arts, and has not slowed down since.

Currently, his paintings are showing at galleries in Carmel, Claremont, Pasadena and in Laguna Beach, where he is a regular exhibitor at the Festival of Arts.

Awards Judge - *Tim Newton*

We welcome Tim Newton, returning as the Awards Judge for the 2021 EnPleinAirTEXAS competition. Tim was last year's Awards Judge and graciously accepted our invitation to return this year as Awards Judge when Sara Linda Poly (who was to be our 2021 Awards Judge) let us know she would be unable to travel this year.

A nationally acclaimed art collector, Tim brings his extensive experience as curator, juror, judge and collector to select the winning artwork by the artists selected by this year's juror, Michael Obermeyer of California. He looks for technical skill, great design, and artwork that tells a story, as part of his thought processes.

Newton is currently the Publisher of Western Art & Architecture Magazine, and is past Chairman/CEO of the renowned Salmagundi Club in New York City, where he was the founder and curator of the highly successful American Masters exhibition there.

A SPECIAL THANK YOU to our 2021 EPAT Ambassador Artists

In past years we've had local artists juried into EPAT. This year, we are excited to welcome three past local EPAT Artists as our **2021 EPAT Ambassadors!**

JoNell Richardson, EPAT 2015, 2016, 2018 •
Jack Price, EPAT 2015 • **Debbie Carroll**, EPAT 2020

They will be around all week to welcome and guide especially our first-time EPAT artists and will be painting on the private ranches with the artists during the early part of the week. You'll also see them volunteering as part of our amazing EPAT Gang.

We are CELEBRATING 100 YEARS of Plein Air Painting in West Texas!

Founded in 1921, by Mrs. Sam (Mollie) Crowther of San Angelo, the Texas Artist Camp grew in its 7 years of existence, from a local gathering, to one of the leading institutions of its kind in the Southwest. In its final year, 62 men & women from 22 different places attended. The Camp emphasized opportunities of the West as a new field for art.

Our 2021 EnPleinAirTEXAS Artists help us continue to honor that tradition today, 100 years later.

Join Us Next Year! • October 22 - 29, 2022
